RE: Fingerprinting Requirement for Mr. Kgomotso Ramokate as BESF Treasurer

Dear Sir/Madam,

I, Letso Baker, in my capacity as President of the Botswana Electronic Sports Federation (BESF), am writing to confirm that Mr. Kgomotso Ramokate is required to submit fingerprints for security clearance purposes as mandated by the Registrar of Societies for his appointment as Treasurer of our organization.

Mr. Ramokate has been nominated to serve as Treasurer of the Botswana Electronic Sports Federation, which is a registered federation accredited by the Botswana International Competitions Authority (BICA). As per the regulations governing registered federations in Botswana, all executive committee members must undergo security verification procedures, including fingerprinting.

Mr. Ramokate's role as Treasurer involves significant financial responsibilities and oversight of federation funds. Therefore, this security clearance is an essential step in our governance structure and compliance framework.

We kindly request your assistance in processing this fingerprinting requirement promptly to enable Mr. Ramokate to assume his duties officially. Should you require any additional information regarding this matter, please do not hesitate to contact me.

Thank you for your cooperation and support of Botswana's growing esports sector.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'LB' or similar, enclosed within a circular scribble.

Letso Baker - President
